Outdoor classroom – pavers, concrete, fundraising paver options

Plan is to turn the courtyard into an outdoor classroom. We have received bids to put pavers in ranging from \$7800 to \$10,000 for pavers. Pouring concrete is also an option. Another option is putting in fundraiser bricks for \$17-\$30 per brick as the annual PTA fundraiser. Families would buy the bricks and PTA pay to install the bricks. Money will be rolled over and the project will be continued next year.
