## Fall 2020 Fundraiser

Dear Longview Farm Elementary Families,

Even though this year has presented many new challenges, your PTA is still working hard to make sure that our teachers, students and families have our support, but we need your help!

This year's fundraiser is donation only and can be paid online through our \*NEW\* PTA Portal. The great news is 100% of the money collected stays at LFE to benefit our teachers & students!

**To meet this year's fundraising goal of \$10,000, we are asking families to contribute \$25 per student.**

This fundraiser supports LFE through:

- ★ **School enhancements** - beautification, outdoor classroom, playground
- ★ **Teacher voucher fund & instructional items** - books, manipulatives, curriculum resources, educational games, flexible seating, technology
- ★ **Student events** - holiday celebrations, 6th grade recognition, Reflections, other events and some field trips
- ★ **Teacher & staff appreciation** - meals, treats, etc. -- In the past, parents were able to make and bring food; however, this year, meals must be catered and boxed, which costs approximately \$450 per meal.

Already this year, PTA has used funds to provide:

- ★ Outdoor learning aids (seating, portable dry erase boards, portable speaker with wireless microphone)
- ★ Classroom materials to aid in virtual and in-person instruction
- ★ Clear masks for teachers & staff
- ★ Fallween goodie bags for ALL students (online, hybrid & in-person)
- ★ Plants for main entrance planters & mulch for courtyard
- ★ Meals for teachers (4 so far this year)
- ★ Bus driver & custodian appreciation
- ★ Teacher & staff birthday gifts & staff shirts

If the fundraising goal is exceeded, we hope to be able to put those funds towards purchasing a **shade canopy for the playground.**

We also want to give a big “Thank you” to the many families that already donated when they purchased their PTA membership. Thanks to them, we have already raised \$2,000!

Thank you for supporting our LFE teachers and students!
